

Proyecto
Fronterizo
de Educación Ambiental A.C.

*We envision a coastal watershed connected by
living rivers protected by a community
engaged in rescuing its water heritage*

We work to protect our ocean, rivers and
coasts

Aniversario
20
Proyecto
Fronterizo
de Educación Ambiental A.C.

*We work and act as a
community.*

We foster inclusive collaboration, transparent
dialogue, consensus and co-responsibility.

.

Culture and nature are one and the same

We believe that borders are artificial and natural
and human communities are interconnected.

Temas

Comunidad

Diseño del modelo estadístico para realización del levantamiento de datos sociodemográficos.

Residuos:

Campaña de limpieza en su comunidad, proyecto de tipificación de la basura y mapeo de los tiraderos clandestinos.
